

# 11" x 17" Multifunction Color

Take advantage of technology that scales and flexes as your business needs do. Be more productive and efficient with the RICOH IM C2000/C2500 range of 11" x 17" color devices.

#### It's time to:

- Print speeds of 20 25 ppm.
- Easy-to-use 10.1" Smart Operation Panel with intuitive menu.
- Mobile connectivity options including NFC, AirPrint<sup>®</sup> or Mopria.
- Increased uptime and performance with RICOH Intelligent Support.

Access a range of productivity features and upgrades such as scanning directly to your email or dedicated folders on your network and ensure you have the latest security enhancements and mobile device connectivity options. Our Intelligent Devices are designed to do more as and when your business needs to do more, using technology that's scalable, secure, sustainable and simple.

#### Get more from your Intelligent Devices:

- Tailor settings to individual users for quick access to apps used most often.
- Work more efficiently with expanded paper tray capacity.
- Automatic firmware upgrades providing maximum security.

RICOH Intelligent Devices remain current and relevant no matter what your workplace requires. This way, you have ready and easy access to new functionality, when needed. Environmentally-friendly low TEC (Typical Electricity Consumption) values deliver reduced energy consumption and cut running costs, while RICOH Intelligent Support features such as Predictive Maintenance mean that device performance is monitored and any fixes resolved swiftly minimizing the impact on your workplace.

#### All Intelligent Devices provide:

- Quick access to Web Help Tools via RICOH Intelligent Support.
- A consistent user interface and experience across your Ricoh fleet.
- Easy integration with third party solutions.
- Regular functionality upgrade releases to do more, smarter and faster.

Ready to take a swipe at a faster way to work? Our range of Intelligent Devices come fitted with a 10.1" Smart Operation Panel designed to enhance your productivity, mobility and environmental commitment. Experience a user interface that offers fast and simple navigation with the ability to customize the layout to best suit your needs — even by adding your own company branding. Access device features, move between jobs and tasks quickly and conveniently enable teams to work smarter.
